## Your Private Aircraft

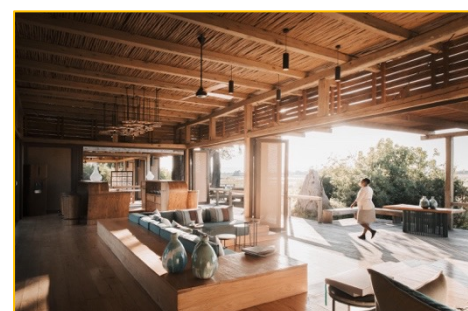

The Pilatus PC-12 NG. Luxurious. Versatile. Safe. Reliable. Proven. These are terms operators of PC-12s frequently use to describe their aircraft. This perfect luxury safari aircraft allows you to travel to anywhere in Africa in comfort and style. It allows time frames on the ground to be minimised and overnight stops to be eradicated. This is your chariot for your safari.

## About Us

---

Safari Craftsmen custom designs privately guided luxury safaris to the most sought-after destinations across the globe.

Our expert guides are the craftsmen behind each and every unique itinerary. Having travelled the world extensively, their knowledge and passion is the secret ingredient that makes traveling with Safari Craftsmen a once in a lifetime experience.

As part of Conserv Group (Pty) Ltd, Safari Craftsmen are committed to protecting communities and supporting biodiversity. A percentage of all Safari Craftsmen revenue goes to the Conserv Earth NPO (<https://conserv.earth>) through which funds are donated to a variety of conservation projects focusing on biodiversity protection, environmental education and sustainable livelihoods.

This ethos of wanting to make a difference to our planet is the driving force behind Safari Craftsmen and the reason like-minded individuals came together to build a high-end safari company that focuses on exceptional travel experiences whilst making a tangible impact on our planet and our communities.
